Accreditation Information

NREMT Pass Rates

Year	Overall Pass Rate
2021	100%
2020	100%
2019	100%
2018	93%
2017	95%

Job Placement - Employment in a Related Field

The percent employed related is the quotient of Paramedic graduates who reported that they are employed in a related field to the total number of Paramedic graduates who reported being employed.

Graduation Year	Employed Related Job Placement Rate	Students Employed in a Field Related to Their Paramedic Degree Within 12 Months of Graduation	Notes
2021	100%	2 out of 2	5 graduates surveyed, 3 responded (2 employed in a related field and 1 not looking-continuing education)
2020	100%	5 out of 5	15 graduates surveyed, 8 responded (5 employed in a related field, 2 not looking-continuing education, and 1 seeking employment)
2019	100%	3 out of 3	5 graduates surveyed, 3 responded
2018	100%	6 out of 6	10 graduates surveyed, 7 responded (6 employed in a related field and 1 not looking-continuing education)
2017	100%	2 out of 2	6 graduates surveyed, 3 responded (2 employed in related field and 1 not looking-continuing education)
5-Year Average	100%	18 out of 18	

* From the graduate follow-up survey

Program Graduation

Report Year	3 rd Year Graduation Rate	3 rd Year Graduation Student Count	Students Enrolled
2021	63%	5	8
2020	50%	5	10
2019	33%	5	15
2018	44%	11	25
2017	38%	8	21
5-Year Average	43%	34	79

* The unduplicated count of program enrollees from the cohort who graduated from the program assessed in the same year the cohort was generated or in the two years following

Program Retention or Graduation

Report Year	2 nd Year Retained or Graduated Rate	2 nd Year Retained or Graduated Student Count	Students Enrolled
2021	90%	9	10
2020	88%	7	8
2019	70%	7	10
2018	73%	11	15
2017	76%	19	25
5-Year Average	78%	53	68

* The unduplicated count of program enrollees from the cohort who graduated from the program assessed in the same year the cohort was generated or in the second year or are enrolled in courses in the second year
