Accreditation Information

NREMT Pass Rates

Year	Overall Pass Rate
2021	100%
2020	100%
2019	100%
2018	93%
2017	95%

Job Placement - Employment in a Related Field

The percent employed related is the quotient of Paramedic graduates who reported that they are employed in a related field to the total number of Paramedic graduates who reported being employed.

Graduation Year	Employed Related Job Placement Rate	Students Employed in a Field Related to Their Paramedic Degree Within 12 Months of Graduation	Notes
2021	NA	NA	4 graduates surveyed, 0 responded
2020	74%	14 out of 19	19 graduates surveyed, 8 responded
2019	100%	1 out of 1	2 graduates surveyed, 1 responded
2018	100%	1 out of 1	2 graduates surveyed, 1 responded
2017	100%	2 out of 2	2 graduates surveyed, 2 responded
5-Year Average	79%	18 out of 23	

* From the graduate follow-up survey

Program Graduation

Report Year	2 nd Year Graduation Rate	2 nd Year Graduation Student Count	Students Enrolled
2021	70%	16	23
2020	85%	11	13
2019	88%	7	8
2018	100%	2	2
2017	100%	1	1
5-Year Average	79%	37	47

* The unduplicated count of program enrollees from the cohort who graduated from the program assessed in the same year the cohort was generated or in the year following

Program Retention or Graduation

Report Year	2 nd Year Retained or Graduated Rate	2 nd Year Retained or Graduated Student Count	Students Enrolled
2021	87%	20	23
2020	83%	19	23
2019	88%	7	8
2018	100%	2	2
2017	100%	1	1
5-Year Average	86%	49	57

* The unduplicated count of program enrollees from the cohort who graduated from the program assessed in the same year the cohort was generated or in the second year or are enrolled in courses in the second year
